**Choose 5 of the following that sounds most like you...**

You have a great deal of determination to achieve your goals. (1)
You like to make things happen. (2)
You go with the flow. The unexpected doesn't bother you. (3)
You are logical and search for why things are as they are. (4)
You are highly organized and highly flexible. (5)
You enjoy coordinating complex factors that go into a project. (6)
You can jump in to a crisis and take charge of the situation. (7)
You like to talk and can explain things clearly. (8)
You see the potential in others and encourage them. (9)
You pick up on the emotions of others and are understanding. (10)
The future fascinates you. You clearly see the possibilities. (11)
You see what people have in common even when they are in conflict. (12)
You appreciate originality, brainstorming and new ideas. (13)
You notice people who feel like outsiders and reach out to them. (14)
You can see talents in people and match them to what they do best. (15)
You bring enthusiasm to people and groups. (16)
You are good at relating to all kinds of people. (17)
You quickly analyze a problem and know what needs to be done. (18)
You carefully consider the whole picture and generate a course of action. (19)
